GREENING THE FINANCIAL MARKET REGULATION

Presentation of the project "Finance Fit For Paris-Tracker"

Forum per la Finanza Sostenibile – Via Ampere 61/A

Promoted by

Forum per la
Finanza Sostenibile

In collaboration with

Frankfurt School
FS-UNEP Collaborating Centre
for Climate & Sustainable Energy Finance

The Italian Sustainable Investment Forum and the Frankfurt School will present an analysis on the progress of Italian financial market regulation in light of the Paris Climate Agreement.

The piece of research was carried out within the framework of the Finance Fit For Paris (3fP)-Tracker, a project developed by Frankfurt School-UNEP and WWF Germany in order to study the evolution of financial regulation on climate issues in European and international markets.

The conference will be held in English.

The agenda will be available soon.
